**SUBSTANCE OF INTERVIEW PURSUANT TO 37 CFR 1.133**

Sir:

As reflected by the Interview Summary provided by the U.S. Patent and Trademark Office, the undersigned received a telephone call from the Examiner indicating that employment of Examiner's Amendment to cancel claims 2-31, 33, 35, and 37, and to correct typographic errors in the claims and abstract would place the Application in condition for allowance. The undersigned subsequently placed a telephone call to the Examiner indicating that the proposed Examiner's Amendment was acceptable.

Agreement was reached.

Respectfully Submitted,

Angus R. Gill
